Renovation of south-facing older farmhouse; masonry heater from Maine Wood Heat; on-demand water heater; refinished original floors; local and sustainably harvested hickory, black locust, and sugar maple used in renovations and fence; clay paints; handmade tiles from NY ceramic artist; skylights for natural light; metal roof courtesy of Better Housing for Tompkins County; wind-generated electricity purchased from NYSEG Solutions; garden/orchard in progress using permaculture design principles. Micaela is a member of Ithaca Biodiesel and she will be available to demonstrate veggie-diesel car conversions.

Tompkins County Cornell Cooperative Extension presents
FREE! Burn It Bright FREE!
THE 2009 HOME WOOD HEAT EXPO

Saturday, October 17, 10am – 4pm
Cayuga Nature Center, 1420 Taughannock Blvd. (Rte. 89), Ithaca

Come learn about:

- buying and stacking firewood • best burn practices • wood stove maintenance
 - woodlot management • latest high-efficiency technology • burning grass pellets
- Also:** tours of CNC's new high-efficiency wood chip-fired boiler • fire-starting competitions • and wood-smoked Razorback BBQ all day long!

For more information contact Guillermo Metz at 272-2292 or gm52@cornell.edu.
