604 Cliff Street, Ithaca

Contact Name: George Frantz
Type of Building: Residence/Home
Square Feet: Approx. 1250
Year Built: Renovated 1998-2009

28

Adaptive re-use of historic home using recycled and native materials and restoration of existing materials; introduction of skylights to increase natural lighting; conversion from natural gas heating to geothermal system; refurbished existing 80-year old cedar shake shingles; roughsawn local hemlock.

Special Considerations: No on-street parking available. Park in lot across the street and up the hill, or at Incodema.

Tomorrow's
business leaders,
today...

Internship Program

Looking for extra support for an upcoming project or event?
Consider an IC Intern!

-  Reliable, dependable, passionate; Ithaca School of Business students represent the future of business
-  Our students are the best and the brightest, learning leadership skills and up-to-date business theory and practice, with a focus on sustainable enterprise
-  Internships and Experiential Learning play key roles in the educational experience
-  Our objective is to cultivate productive and mutually beneficial, multi-tiered relationships between Ithaca College, our students, and our generous host organizations
-  Tasks and projects give interns opportunities to extend knowledge gained from their coursework while learning practical application from their supervisors
-  AACSB International Accredited, Ithaca's School of Business offers a rigorous, balanced and professional education
