

SOURCES FOR COMPOSTING WORMS

“Red worms, red wigglers, manure worms”

Local

We occasionally learn about local suppliers of worms, so if you’re looking for a local source, give us a call. And please let us know if you’re interested in being a local supplier yourself!

As far as other vermicomposting products, Home Green Home on the Ithaca Commons, (607) 319-4159 or www.homegreenhome.com, carries the Worm Factory for \$99.95 + tax and The Worm Book for \$11.95 + tax, the Worm Café for \$29.95 + tax and Worms Eat My Garbage for \$12.95 + tax.

Mail-order (not shipped – either too hot or too cold!)

This is only a partial listing. No endorsement is implied. For an extensive list of suppliers, visit the City Farmer website at: <http://cityfarmer.org/wormsupl79.html#wormsupplies>
